

# 2023 GNT BIB ASSIGNMENTS

## 2023 GNT FINAL BIB ASSIGNMENTS

**Bib assignments/swim start times were selected by the following criteria:**

- 1) Top 64 racers from 2021 & 2022. Seeded racers will split lanes.
- 2) Those that purchased lane bids. Racers will split lanes in the shallow end only.
- 3) Mother/Daughter & Tri Gen Teams that requested to start together (estimated swim times were changed to the slowest swim time among the group in order to assign them together). If Mother/Daughter & Tri Gen team names were not the same, they may not have been assigned together.
- 4) By estimated swim times provided during the registration process.

**NOTE:** Refer to the GNT website for on-deck and start times. **EVERY TIME BLOCK** consists of fast to slow swimmers based on estimated swim times provided at registration. (i.e., a racer may be the fastest person in their block but may be in a block later in the day than racers with slower estimated swim times. This spreads out the field of swimmers making it the fairest for all.

School, business, and open teams must have 5 or more members to be calculated as a team in the results. Members of these types of teams were not assigned start times together.

There will be no changes to bib assignments.
